

Save the Date!

Engaging Gifted Children for the 21st Century

Save the date of **Saturday, August 21, 2010**, for an opportunity to spend the day learning more about your gifted child. Parents of gifted students attending Virginia Beach City Public Schools will have the opportunity to attend and participate in this free event. Over 300 parents attended the 2008 Parent Institute and expressed great appreciation for the event.

We plan to provide another high quality institute this summer and expect that attendance will be even larger. Breakout sessions on many topics important for the success of our gifted students will be offered. More information on the conference will be provided throughout the school year to keep you apprised of our progress on this opportunity.
