

Haitian Relief Fund

As many of you know, Haiti recently experienced a devastating earthquake. Because of this catastrophic event, Great Neck Middle School is working in conjunction with the American Red Cross in an effort to raise funds to help those in need. It is our hope that this campaign will serve several purposes. First and foremost, our goal is to help the Haitian people directly through our donations to the American Red Cross. Secondly, we hope this opportunity will allow our students too see themselves as part of the global community. Ultimately, the idea is to teach our students that no matter how young they may be, they have the power to make a difference in someone else's life.

Beginning Monday, January 25th, students can place donations in the Red Cross containers located in the cafeteria, during their lunch bell. Students who make a donation will receive a small American flag on which they may write a message of hope. These messages will be sent to the people of Haiti, along with donations.

Together, we can make a difference.

If you would like to donate, please send checks to Great Neck Middle School made payable to the American Red Cross. 100% of the proceeds will go directly to the Haiti Relief Fund.

Please accept this donation of \$_____ (amount) to benefit the American Red Cross and the People of Haiti.
